

Kodály Certificate Course (Level 1 or Level 2), 2018-19

BACKGROUND INFORMATION

The 12 month duration of the Certificate Course Level 1, and likewise Level 2, involves attendance at a number of designated study periods, starting with the BKA Summer School in August, then various required events through the succeeding year.

Part One includes the Summer School programme and, thereafter, a non-residential Study Weekend in the autumn (around late October).

Part Two involves attending the BKA's residential Spring Course (normally of 4 days duration just after Easter) and an Assessment weekend in June. Tasks during the Certificate Course programme also include lesson observations (to be arranged), and there is a further requirement to take a Musicianship Assessment.

Fees payable to the BKA

Three stages of payment are required from students undertaking Cert Course Level 1 (or Level 2 for those who have already completed Level 1):

- (i) Summer School fee (payable in advance of the August SS)
- (ii) Fee (payable by 31 December) for the remainder of Part One (ie post Summer School) including marking of assignments, mentoring etc as well as the non-residential October study weekend
- (iii) Fee (payable by 30 June) for Part Two including marking of assignments, mentoring etc as well as cost of the residential Spring Course and the non-residential Assessment weekend. A specific fee, payable by 30 June, is also charged for Musicianship Assessment which students must pass in order to qualify for their certificate.

Students need also to allow, in their financial planning, for the cost of travel and any other related expenses for Study and Assessment Weekends, musicianship assessment, and lesson observations where applicable. (This would include costs of any accommodation needed in respect of the Study/Assessment weekends)

Outline of fees for next year's course (2018-19)
